PLEASE DO NOT SEND CAMPERS WITH LUNCH BOXES, ONLY PAPER BAG LUNCHES (labeled with camper's names and group). Please do not bring lunch to your child from the beach club cafeteria or send your child in with money for hot lunch. Also, do not send in money at any time for use of the soda machine. ***Please avoid lunches containing any type of peanuts.**

POOL INFO

First grade campers and up will have general swim in the big pool. Campers will be tested by a WSI lifeguard on the first day of camp. Kindergarten campers and Nursery will have free swim in the kiddie pool. All kindergarten campers will begin the season in the kiddie pool. On Thursday, July 5th, kindergarten campers will be tested to see if they are able to swim in the big pool. A permission slip will be sent home prior to that to see if you are interested in having your child tested. Once the WSI lifeguard assesses your child's swimming ability, you will be notified of the results.

RAINY DAY PROCEDURES

1. On a "rainy day" the schedule will obviously be altered. If you wish to pick up your child early, please come to the **camphouse for the Lower Camp, camp cafeteria for the Middle Camp, the drama shed for fifth and sixth graders, and the arts & crafts and story time room for the seventh graders and up.** Drop off on a rainy day will be the same location as pick up.
2. **Camp will only be closed if the beach club closes.**

EARLY DISMISSAL

If you are picking your child up early:

1. Please inform the camphouse office, before the start of the camp day, of the time you would like to pick up your child. Your child will be waiting in the camp office for you.
2. If you want to pick up your child early from camp, and you have not notified the office beforehand, either:
 - a. sign out your child directly from the senior counselor or
 - b. report to the Camphouse office and your child will be retrieved for you.

BOARD OF HEALTH REGULATIONS

Board of Health regulations require that all campers have an accurate **medical** form filed in the camphouse office. No camper will be allowed in camp without a completed medical form. In addition, please inform the directors of any special medical condition or allergy your child might have. Each group has been designed in accordance with Board of Health mandated counselor/camper ratios.

EMERGENCY RELEASE/MEDIA FORMS

An emergency release form must be on file at the camphouse. This will help us determine who is allowed to pick up your child, and also let us know if your child is permitted to be released without being signed out.

TIPPING

While tipping is voluntary, please understand that the counselors depend, to a large extent, on the generosity and appreciation of the parents in order to supplement their salaries. There will be two tipping days during the camping season.

GENERAL INFO

- If your child has a **birthday** during the camp season and you would like to celebrate in camp, please speak with the directors so that they can arrange the celebration during the lunch period.
- The **lost and found** grows fast so your help in labeling your child's clothing might insure a "speedy recovery" (especially camp t-shirts and hats).
- Our main means of communication with you will be our weekly **newsletter**, "Tales From the Shore" as well as periodic leaflet announcements. In addition, please follow us on Facebook at www.facebook.com/SilverPointBeachClubDayCamp.

The fee for guests is \$45 a day. Guests are only accepted on an occasional basis. Please speak to Rob for more details.
